DR. MICHAEL CURTIS

Are you looking for exceptional dental care? **DR. MICHAEL CURTIS** has been selected as one of "Americas Best Dentists" five years in a row. This practice is well-known for their personal attention, friendly atmosphere and the finest state of the art dentistry available.

All care is performed under surgical magnification for the greatest attention to detail. And if you're nervous about seeing the dentist, you can relax. Dr. Curtis has written numerous articles on dental anesthesia and sedation, and is a recognized expert in the field. The practice also offers dental sedation so you can "snooze" through dental procedures if you prefer.

This modern practice offers the latest in dental care. Dr. Curtis utilizes digital x-rays, so you get 70-90% less radiation. All offices employ intraoral cameras. They even perform drill-less fillings. And with 6-month clear braces, adults can correct crooked teeth, crowding or spaces, in a quarter the time and half the cost of traditional braces...with less force on your teeth!

Dr. Curtis has served as an instructor at the University of Connecticut and New York University and has written 4 books on dentistry. He grew up in our area and has over 30 years of experience. The practice offers cosmetic dentistry, bonding, whitening, braces, root canals, emergency treatment, gum care, extractions, implants, tooth replacement and cleanings...all in a caring environment where you can feel relaxed and at ease.

Dr. Curtis also accepts numerous insurance plans, and payment plans are available. View over a hundred testimonials from very satisfied patients on his website.
